

Opened my eyes this morning
With this smile on my face
My arms wrapped around you
Took me away and it got me to thinking
What we need to do
Is take a Sunday drive and drive on through

Monday, Tuesday, through Friday
Saturday too

(Chorus:)
Let's disappear
Gotta jet outta here
Feel the wind across our face, yeah
We'll have some fun
Gonna dance on the run
It's a perfect day
To break away

We'll hit Tulsa by Tuesday
Follow the stars above
Spend the weekend in Vegas
And gamble on sweet, sweet love
it don't matter what we do
As long as I'm with you

Let's disappear
Gotta jet outta here
Feel the wind across our face, yeah
We'll have some fun
Gonna dance on the run
It's a perfect day
To break away

Yea, yeah, break away
Yea, Yeah

(Chorus)
Let's disappear
Gotta jet outta here
Feel the wind across our face, yeah
We'll have some fun
Gonna dance on the run
It's a perfect day

(Chorus)
Let's disappear
Gotta jet outta here
Feel the wind across our face, yeah
We'll have some fun
Gonna dance on the run
It's a perfect day
Girl it's a perfect day
To break away
