

[x4]

I don't know who you think I am

He been gone since 3.30 (3.30)  
Been comin home lately at 3.30 (3.30)  
I'm super cool, I've been a fool  
But now I'm hot and baby you won't get it  
Now I ain't trippin', I, I aint twistin  
I am demented, I'm just a little bit (huh)  
I'm kickin ass, I'm taking names  
I'm on a flame, don't come home babe

[CHORUS]

I'm breakin' dishes off your head  
All night (uh huh)  
I aint gon stop until I see police and lights (uh huh)  
I'm a fight a man (tonight)  
I'm a fight a man (tonight)  
I'm a fight a man  
On a man, on a m-a-a-a-aan  
On a man, on a man, on a m-a-a-a-aan  
Ohhhh

I'm still waiting, come through the door  
I'm killing time and I'm bleachin ya clothes  
I'm roasting marshmallows on the fire  
And what I'm burnin, is your attire  
I'm gettin restless, I'm gettin tested  
And I cant believe hes always out every night and never checks in  
Must be cheatin, man i dont know  
Im looking round for somethin else to throw

[CHORUS]

(Uh uh uh uh uh uh)  
I don't know who you think I am  
(I dont know who you think I am)  
But I really don't give a damn right now  
(Uh uh uh uh uh uh)  
If you don't come I'm a huff and puff and  
Blow this, Blow this, huh  
Blow this, Blow this,  
I'm a blow this, blow this, huh  
Blow this, Blow this  
I'm a blow this, blow this, huh  
Blow this house down  
Dishes, breakin' dishes, breakin' dishes

[CHORUS]

On a man, on a man, on a m-a-a-a-aan  
On a man, on a man, on a m-a-a-a-aan

Breakin' dishes
