---

Police drive by, I hold my breath  
I've got 10 warrants for my arrest  
They stop at the light and whip it around  
Ten minutes later I'm headed downtown  
Free Ride

Busted... stepped out of line  
Busted... no place to hide  
Busted... couldn't pay my fines

It makes no sense to live this way  
But I'm gonna do it anyway

Busted... for being me  
Busted... for being free  
Busted... can't pay my bail  
Busted... I'll die in jail

It makes no sense to live this way  
But I'm gonna do it anyway
