

Hush the neighbors hear you moanin and groanin
But I just can't help it 'specially when we be bonin
"I can take your fears away"
he said "it's so much better when you do it my way"
I could not believe it
Hey what's your name?
Beau doh doh dah
He's something like my favorite movie
Beau doh doh dah
I wanna see him again and again
Beau doh doh dah
He's like my disco - he's really groovy
Beau doh doh dah
When we go out I'm gonna let him in

He wanna fight and make me feel like nothing
Never lovin but we're always f**kin
"I can take your fears away"
but I kinda miss them now that they've gone astray
I could not believe it
Hey what's your name?
Beau doh doh dah
He's something like my favorite movie
Beau doh doh dah
I wanna see him again and again
Beau doh doh dah
He's like my freight train - he really moves me
Beau doh doh dah
When we go out I' m gonna let him in
Beau doh doh dah
He's somethin like my 7 eleven
Beau doh doh dah
He got me open like an all night store
Beau doh doh dah
He's like my blue skies - he's next to heaven
Beau doh doh dah
He give me some and then I want some more
