I feel akin to  
a window  
feel your face is  
slamming thru  
your eyes  
i smash in little pieces  
talking toy our picture

It turns to dream  
within my mind

He dresses me in sunshine  
this sky of mine

Streams of sea  
fall down on me  
the sun comes through  
the cloud  
on the wall there is no shadow

Wash me with your hands  
i'm walking on  
calm water

He dresses me in sunshine  
this sky of mine

how would you love me if i was your girl?
