Title: Carry bag man

---

I'm in love with the Carrier Bag Man  
I love the Carrier Bag Man X2  
Carrier bags strewn all around the room  
Ah, the Carrier Bag Man-- I am him  
Coz I am the Carrier Bag Man -- I am the carrier bag man

I've no time to sit comfortable down  
But I still need armchairs round my home  
To put carrier bags on

I am the Carrier Bag Man  
Carry a bag man!

I don't make waves, I hide bags in graves  
No cash is earned straight nowadays anyways  
Please all you onlookers understand  
So make gangway for Carrier Bag Man

I am Carrier Bag Man

[megaphone rant]

When in town I keep head down  
Kneel on the croft when the mariah comes round  
Fat-assed workmen, I scurry around  
There's few good places to hide bags behind

Coz I am Carrier Bag Man.  
Carry a bag man!
