Title: Change

download from: <http://www.lyricsdisc.com>

You came close this time
Close to findin' a way
A way to change my mind

But I feel sure
I've heard it before

So you push yourself
Always in my face
Chance to realise
That I've made mistakes
But I've made my break
Won't get left behind

I'm not afraid
Listen my friend

You'll be fine, if you don't
Waste my time, don't you know
You could share
All the visions that I have
And you know, I could change
But I won't, anyway
That is why, you should find
Someone else and waste their time

You'll be fine, if you don't
Waste my time, don't you know
You could share
All the visions that I have
And you know, I could change
But I won't, anyway
That is why, you should find
Someone else and waste their time

You could change don't you know
You could change don't you know
You could change
But I don't like you anyway!
