

You make me feel out of my element
Like i'm walkin' on broken glass
like my world's spinnin' in slow motion
and you're movin' too fast

(chorus)

were you right, was I wrong
were you weak, was I strong, yeah
both of us broken
caught in the moment
we lived and we loved
and we hurt and we joked yeah
but the planets all aligned
when you looked into my eyes
and just like that
the chemicals react
the chemicals react

you make me feel out of my element
like i'm drifting out to the sea
like the tides pullin' me in deeper
makin' it harder to breathe

we cannot deny, how we feel inside
we cannot deny

(chorus)

kaleidoscope of colors
turning hopes on fire, sun is burning
shining down on both of us
don't let us lose it (don't let us lose it...)

were you right, was I wrong
were you weak, was I strong, yeah
both of us broken
caught in the moment
we lived till we loved
and we hurt and we joked yeah

we lived
we loved
we hurt
we joked
we're right
we're wrong
we're weak
we're strong
we lived to love

but the planets all aligned
when you looked into my eyes
and just like that
watch the chemicals react (yeah 3x)
and just like that
the chemicals react (yeah 3x)
(chemicals react)
