Hang on the corner with all the boys, watch me girls  
You're looking really good, tonight I'll be your bundle of joy

Sometimes I want you around, and other times I don't know where to be found  
Hanging out can surely get me down

All the guys say you're really keen, but I know, I've seen  
They think that I'm feeling them, but I know what you're selling men

Sometimes I want you around, and other times I don't know where to be found  
Hanging out can surely get me down

You're looking good and your looking neat, oh baby you're looking sweet  
Oh baby your looking hot, I want you baby, what you got

Sometimes I want you around, and other times I don't know where to be found  
Hanging out can surely get me down

Oh baby, oh yea, looking at you is like a cheri love affair  
Mean magazines, film supremes, looking at you make me cream in my jeans  
You got a nice body, got a real nice face, I'd like to take you to a real nice place

Sometimes I want you around, and other times I don't know where to be found  
Hanging out can surely get me down
