Title: Clear the room

download from: <http://www.lyricsdisc.com>

Out of tune
It's no ideal
Cannot prove
But I can squeal

Stick into
Frozen meal
Touching you
Magnetic field

Take the loo
Bruise the fruit
Forget what to say
Call your bluff
Get away

Clear the room
Watch them reeling
Sex is soon
But first the feeling

Out of tune
It's so ideal
Clear the room
And watch them real

Take the loo
Bruise the fruit
Forget what to say
Call your bluff
Get away
