

We've got a good thing going on...
We've got a good thing going on...
B-b-baby
Wanting you so bad is a problem i have
And i know that you need me
But you won't come that easy
I said, i know, i know, whoa

C'mon baby, you make me sweat
I'm suffocating
You stole the air from my chest
My heart's on fire
I'm falling from your lips
You know, you know
We've got a good,
Good thing going on

We've got a good thing going on
Whisper to me softly
Let your hands do the talking
Resisting temptation
Devoting dedication
Let's move
Shake up (b-b-back up)shake it up

Wanting you so bad
Is a problem that i have
And i know that you need me
But you won't come that easy
'said i know, i know, whoa

C'mon baby, you make me sweat
I'm suffocating
You stole the air from my chest
My heart's on fire
I'm falling from your lips
You know, you know
We've got a good,
Good thing going on

We've got a good thing going on...
We've got a good thing going on...
Shake up (b-b-back up)shake it up

C'mon baby
You make me sweat
I'm suffocating
You stole my air from my chest
My heart's on fire (fire)
I'm falling from your lips (fire)
You know, you know
We've got a good,
Good thing going on

C'mon baby (ahhh)
C'mon baby (ahhh)
My heart's on fire (fire)
I'm falling from your lips (fire)
You know, you know
We've got a good,
Good thing going on
