

I am a nightmare walking - psychopath talking
king of my jungle - just a gangster stalking
Living life like a firecracker - quick is my fuse
Then dead as a deathpack - the colors I choose
red or blue cause a blood - it just don't matter
Sucker die for your life with my shotgun scatters
we gangs of C.A. will never die....just multiply Colors!
you don't know me, fool - you disown me
I don't need your assistance, social persistence
any problem I got I just put my fist in
My life is violent, but violent is life
peace is a dream, reality is a knifemy colors my honour my colors my all
with my colors upon me one soldier stands tall
tell me what have you left me, what have I got
last night in cold blood my boy
got shot
my home got jacked, my mother's on crack
my sister can't work cause her arms show trax
Madness insanity - live in profanity then some punk claimin they understandin me
give me a break, what world do you live indeath is my sect, guess my religion
Colors! My pants are saggin braided hairsuckers stare but I don't care
my game ain't knowledge - my game's fear
I've no remorse so squares beware
But my true mission is just revenge
you ain't in my sect, you ain't my friend
wear the wrong color - your life could end
homicide's my favorite venge (beach?)
Colors! I'll just walk like a giant - police defiant
you'll say to stop - but I'll say that I can't
my gangs my family - it's all that I have
I'm a star - on the walls is my autograph
You don't like it - so you know where you can go
cause the streets are my stage - and terror's my show
psychoanalyze - tried diagnosing me wise
It wasn't your brother that brutally died
But it was mine - so let me define
my territory don't cross the line
Don't try to act crazy - cause the shit don't thank me
you can be read like a punk - it wouldn't amaze me
cause my colors death - though we all want peace
but our war won't end - till all will cease Colors!
