

I can see it in your eyes  
You're livin' a troubled life  
And you've been hurtin' more and  
more these days  
You don't have to hide it  
Don't even have to fight it  
Baby all you have to do is just turn  
and walk away

When you're tired of it all  
And tears need to fall  
Your back's to the wall  
Come cryin' to me  
You don't have to be strong  
You don't have to hold on  
When you've been there too long  
Come cryin' to me  
I'll leave the living room light  
Burning all night  
No don't even pack  
Don't even look back  
Baby come cryin' to me

You can get beyond this  
All those empty promises  
They don't have to hold you  
down no more  
Nothin' to explain to me  
You don't even need a key  
All you gotta do is knock and i'll  
unlock the door

When you're tired of it all  
And tears need to fall  
Your back's to the wall  
Come cryin' to me  
You don't have to be strong  
You don't have to hold on  
When you've been there too long  
Come cryin' to me  
I'll leave the living room light  
Burning all night  
No don't even pack  
Don't even look back  
Baby come cryin' to me

I'll leave the living room light  
Burning all night  
No don't even pack  
Don't even look back  
Baby come cryin' to me  
Baby come cryin' to me  
Baby come cryin' to me
