Title: Come on in my kitchen

---

The woman I love  
Took from my best friend,  
Some joker got lucky,  
Stole her back again.

You better come on  
In my kitchen  
Where there's got to be raining outdoors.

Oh she's gone  
I know she won't come back  
I take the last nickel I won't ever sack

You better come on  
In my kitchen  
Where there's got to be raining outdoors.

When a woman gets in trouble  
Everybody throws her down  
Looking for her good friend  
No one can't be found

You better come on  
In my kitchen  
Where there's got to be raining outdoors.

Wintertime's coming  
It's gonna be slow  
You can't make the winter babe  
That's dry long soon

You better come on  
In my kitchen  
'Cause there's got to be raining outdoors.
