

Come on over, come on over baby
Come on over, come on over baby
Come on over, come on over baby
Come on over, come on over baby

hey boy don't you know
i've got something going on
i've got an invitation
don't you keep me waiting all night long
i know you, you know
so baby don't
pretend you won't
keeping me guessing off you
you will or you won't
don't wanna play that game with you baby
so listen to me

(chorus)

All I want is you, come over here baby
All I want is you, you make me go crazy
All I want is you, now baby don't be shy
You better cross the line
I'm gonna love you right
All I want is you!

Come on over, come on over baby
Come on over, come on over baby

im not just talking about your sexuality (sexuality)
but i can't help myself when you put your hands on me
its paradise when you and i
get close get tight
one on one
go on all night
i wanna play that game with you baby
so listen to me
(chorus)

All I want is you, come over here baby
All I want is you, you make me go crazy
All I want is you, now baby don't be shy
You better cross the line
I'm gonna love you right
All I want is you!

Come on over, come on over baby
Come on over, come on over baby
Come on over, come on over baby
Come on over, come on over baby
