

In the sand you used to lay  
You'd be there at my side  
As the night fell on the shore  
She had gone  
I trusted to you to stay

Read the story in the papers  
Of a lover who had gone  
Think that she has moved away  
No one heard from her at all  
For years

Someone must have heard her leave  
Saw something  
Get a job or get a place  
All these questions made  
No sense to me

Comes as no surprise  
Stay with me tonight  
Said you'd never leave  
Pray that you are safe  
Comes as no surprise  
Stay with me tonight  
Stay with me tonight

Every year I will return  
And briefly you are there  
And you always look the same  
Nothing changes  
Must have been the breeze

You have shot me to the bone  
And ripped me up again  
Was the cruelest thing to do  
Came as no surprise  
To me

Met a soldier from the war  
Stole her things  
Died alone a junkie  
I still wait for you  
I know you're safe

Comes as no surprise  
Stay with me tonight  
Said you'd never leave  
Pray that you are safe  
Comes as no surprise  
Stay with me tonight  
Stay with me tonight  
Stay with me tonight
