Dance Floor Anthem

She's going out to forget they were together  
All that time he was taking her for granted  
She wants to see if there's more  
Then he gave she's looking for

He calls her up  
He's trippin' on the phone  
Now he doesn't want her out there and alone  
Now he knows she's movin in  
Knows she's using it  
Now he's loosing it  
She don't care

Everybody  
put up your hands Say:
