

Dark Avenger Lyrics

He broke the laws of the elders
So they plucked out his eye,
Took his land and fortune,
Left him to die

Bound on the shoreline,
Left for the tide,
Sees his life blood leaving...
Circling lower the vultures fly

These bones may be broken
But the spirit can't die
And the Gods see his anguish
And give him a sign

From the floor of the ocean
The ship of the lost souls rise
And they take him where no one sleeps
while the undead cry
Where no one sleeps while the undead cry

And in the world above
The elders sing,
On his land they live
Let death's bell ring

He was met at the gate of Hades
By the Guardian of the Lost Souls,
The Keeper of the Unavenged
And He did say to him:
"Let ye not pass Abbadon but return to the world from whence ye came
And seek payment not only for thine own anguish
But to vindicate the souls of the Unavenged"

And they placed in his hands a sword made for him called Vengeance
Forged in brimstone and tempered by the woeful tears of the Unavenged

And to carry him up on his journey back to the upper world
They brought forth their Demon horse called Black Death
A grim steed so fearsome in might and black in colour
That he could stand as one with the darkness
Save for his burning eyes of crimson fire

And on that night they rode up from Hell
The pounding of his hooves did clap like thunder

Burning, death, destruction raping the daughters and wives
In blood I take my payment in full with their lives

No one can escape me on Black Death I ride
When kissed by the sword of Vengeance
Your head lays there by your side
I take the lives of all that I once knew
The torn flesh of a slow death waits for you

Burning, death, destruction raping the daughters and wives
In blood I take my payment in full with their lives

I spare not land or servants my wake is slow death there
I take their wives and daughters
They stand there watching, watching
Hoping to get my life but when I'm through they know they must pay

Burning, death, destruction raping the daughters and wives
In blood I take my payment in full with their lives
With their lives!
With their lives!
