

Peek in, sneak about  
Peek in, sneak about  
Your broken hearted detective

Hey girl, save the liar  
Can't you see his pants on fire?  
Hey girl, save the liar  
Can't you see his pants on fire?

My back it hurts again  
It aches like history  
Cottonmouth and all lit up  
You're smiling back at me

But I feel you must have failed me  
Once again you've let me down  
My confidence below my knees now  
I need to find you out

Peek in, sneak about  
I'm gonna snoop and call you out  
I caught you, your hands are red  
Now I'm your broken hearted detective

Hey Lover why the gun?  
Hold on I'm almost there  
It's too late you've killed the trust  
Don't act so unaware

So why are you so destructive?  
Do you realize what you've done?  
You can't bring it back to life now  
What are you running from?

Peek in, sneak about  
I'm gonna snoop and call you out  
I caught you, your hands are red  
Now I'm your broken hearted detective

I don't like the way I feel  
I just want you to be real

Hey girl, save the liar  
Can't you see his pants on fire?  
Hey girl, save the liar  
Can't you see his pants on fire?

I'm rummaging through your closet  
Imagining all the worst thoughts

Peek in,sneak about  
I'm gonna snoop and call you out  
I caught you, your hands are red  
Now I'm your broken hearted detective
