

Distorted birth  
Perverted ghoul  
Satanic rites  
Blood orgy

Distorted birth incestuous lust  
Carnal sin brought forth ghoul  
Hidden chapel where he dwells  
Pagan rites shall be known  
Candles lit for his black mass  
In the barn, his ritual is fulfilled  
Smearing goats blood on his genitals  
Eyes are insane, lust for the dead

In his mind something's wrong  
Swelling lump caused him pain  
Perverted ghoul sees one thing  
Women's blood clots his beard  
Corpses in mounds behind the barn  
Maggots feeding on his offerings

Sickening rituals, satanic rites breaking forth  
Worshipping Satan, lust is uncontrolled  
Vomiting blood unholy ritual now deceased  
Now his deeds are fulfilled  
Throbbing tumor disappears  
It is time for him to rest  
Forever in a darkened alliance
