

every day  
I ask why  
you were picked to be Jesus Christ  
it could have been me  
it should have been me  
up on the cross telling you all  
do unto others as you would have them do unto yourself  
you did it unto me and now I'm doing it unto you  
there must have been  
some mistake  
I'm not the one  
who should be saved  
my divinity has been denied  
Mary and me were both fucked by God  
do unto others as you would have them do unto yourself  
you did it unto me and now I'm doing it unto you  
you did it unto me and now I'm doing it unto you  
do unto others as you would have them do unto yourself  
now I'm doing it unto you  
you did it unto me and now I'm doin it unto you  
you did this unto me and now I'm do this unto you  
and you did this unto me
