Dont call me darling
Dont call me darling

Harbouring on it
Hates this
Wants this
She hates this

>>dont call me darling
>>dont call me darling
>>dont call me darling
>>dont call me darling

The long black hair
Of wretched blue bottle
Darting all over
To no avail
I got zero tolerance
My head full
[ill pack a wool swab]
>>dont call me darling
>>dont call me darling
>>dont call me darling
>>dont call me darling

People hate beauty
I cannot fathom it
They smell of old pally
Voices thick with
Bouncing jackson
With stupidity
>>dont call me darling
>>dont call me darling
>>dont call me darling
>>dont call me darling
[[dont call me darling

Soon there will be dancing
Around the queue strippy
High and cheap
Why do people hate beauty
I cannot fathom it
A bouncing...
>>dont call me darling
>>dont call me darling
...brown suit...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...bouncing...
>>dont call me darling
...why...do...people...hate...
>>dont call me darling
>>dont call me darling
>>dont call me darling
>>dont call me darling
>>dont call me darling

>>dont
>>call
>>me
