Title: Douche bag blues

"This isn't the stuff we normally do for you guys that are buying this. This is what happens when you consume massive amounts of drugs and alcohol"

My mother was a douche bag
My sister was a douche bag
I guess that makes me one too

I got the douche bag blues
I got the douche bag blues
I got the douche bag blues
Lord I just don't know what to do

I sold dynamite to the Arabs
Bullets to the Jews
Whiskey to the Indians
And I'll get you too

I got the douche bag blues
I got the douche bag blues
I got the douche bag blues
Lord I just don't know what to do

Vinegar and water
The drink that I choose
I gotta tell ya brother
Tastes like pussy juice

Time flies when you're in a coma...
