Title: Dream

I bet I've seen that face a hundred times or more
Then you shed a tear
What do you want from me? Is it something more than I can give?
Just let me know
Then you walk in my arms and say
I need you more today

Chorus:

Dream baby dream
Kiss me goodnight and I'll rock you to sleep
Dream baby dream.... just slippin' away

Sometimes I'm so afraid there's nothing I can do
You're always on my mind
You know my hands were tied, and you know how hard I tried
To never let you go
Then you walk in my arms and say goodbye

Chorus

Bridge:

Down on my knees I pray for you every day
I've been alone since you went away

Solo

Chorus
