Title: El mauro [englisch]

download from: <http://www.lyricsdisc.com>

You know what we want
but we don't have
You know what we want
but we don't have
health, love and liberty
are what we prefer
(repeat)

*Ay
I'm coming el mauro, etc.

And see so much reward gypsy
by the lord of the heavens
because love is extinguished
between evil and good

*(repeat)
