

Hey Dad,  
I'm writing to you,  
not to tell you that I still hate you.  
Just to ask you how you feel  
and how we fell apart,  
how this fell apart.

Are you happy out there in this great wide world?  
Do you think about your sons?  
Do you miss your little girl?  
When you lay your head down,  
How do you sleep at night?  
Do you even wonder if we're alright?

but we're alright,  
We're alright...

Its been a long hard road without you by my side.  
Why weren't you there all the nights that we cried?  
You broke my mother's heart,  
You broke your children for life.  
Its not okay,  
but we're all right.  
I remember the days you were a hero in my eyes,  
but Those are just a long lost memory of mine.  
I spent so many years learning how to survive,  
now I'm writing just to let you know I'm still alive.

The days I spent so  
cold; so hungry,  
Were full of hate,  
I was so angry  
The scars run deep inside this tatoood body,  
Theres things I'll take to my grave,  
But I'm Okay, I'm Okay.

Its been a long hard road without you by my side  
Why weren't you there all the nights that we cried  
You broke my mother's heart  
You broke your children for life  
Its not okay,  
but we're alright  
I remember the days you were a hero in my eyes  
But those are just a long lost memory of mine,  
Now I'm writing just to let you know im still alive,  
And I'm still alive.

and Sometimes I forgive  
Yeah, and this time,  
I'll admit,  
That I miss you,  
Said I miss you

Its been a long hard road without you by my side  
Why weren't you there all the nights that we cried  
You broke my mother's heart  
You broke your children for life  
Its not okay,
