Title: Enslaved By Propaganda

download from: <http://www.lyricsdisc.com>

Entrapment by society
corporation propagandist

Money making
gain for power
gimmicks and lies
salves to the system

Why?
irrestible
Break down system to the game
the economy suffers

Third world nations
suffer most
taken for granted
just for their dollars
always helpless
being fucked over
other nation's use them
as stepping stones
