Title: Every Colour You Are

---

I touched his hand  
Burned like coal  
Put pay to the devil  
And saw the mountain fall

Feel like crying  
The jokes gone to far  
You can be anything you want  
Every colour you are

Family man  
His patience tried  
Put a torch to his home  
And warmed his hands by the fire  
The greed of desire

My roads uncrossed  
White lined and tarred  
By believing in you  
Every colour you are
