

Yeah, yeah
Every little bit hurts
Every little bit hurts
Every night I cry
Every night I sigh
Every night I wonder why
You treat me cold
Yet you won't let me go

Every little hurt counts
Every little hurt counts
Say you're coming home
Yet you never phone
Leave me all alone
My love is strong for you
I'd do wrong for you

I can't take this loneliness
You give me
I can't go on
Giving my life away

Come back to me
Darling you'll see
I can give you everything
That you wanted before
If you will stay with me

Oh yeah
Every little bit hurts
Y'all know
Every little bit hurts
To you I'm a toy
And you're the boy
Who gets to say
When I should play
Yeah you hurt me
Desert me

Come back to me
Darling you'll see
I can give you everything
That you wanted before
If you'll stay with me

Oh yeah
Every little bit hurts
Every little bit hurts
Oh no every little bit hurts baby
Oh yeah
Say yeah
Yeah
Say yeah
Say yeah yeah
Oh every little bit hurts
Yeah yeah yeah
Every little bit hurts
You hurt me baby
You made me feel so sad inside

Every night I cry
Every night I sigh
Every night I wonder why
You treat me cold
Oh you treat me so cold
Don't you know every little bit hurts me baby
