Title: Excrement Infection Of The Male Urethra

download from: <http://www.lyricsdisc.com>

Another night of sodomy
My girl her ass is so tight
Now I plug her rear...
But she forgot to shit

Exchanging semen with excrement
As I continue to fuck her ass

When I am done I need to piss
Her face will do color is dark brown

I knew I should have bathed
Urethra infected by her stools!
