things coming down,
it's all that i see i trun and look but it don't bother me is there any way
i could get by what reason i don,t understand
why i always say know i know we,re always getting nowhere,
nowhere i guess i'll never learn, never learn
cause i'm never gonna grow up all the time she thinks
i'm lying hurts so bad inside i like dying
i'm not around she tells me she's crying even though,
even thgough i know what's right another day,
another lecture somehow i think this will re-occur
it's something now that i forsee this chemistry is a bad recipe
all the time she thinks i,m lying hurts so bad inside i like dying
i'm not around she tells me she's tells me she's crying even though,
even thgough
