

Extraordinary Girl-

She's an extraordinary girl,
In an ordinary world,
And she can't seem to get away

He lacks the courage in his mind,
Like a child left behind,
Like a pet left in the rain

She's all alone again,
Wiping blotches from her eyes
Somedays he feels like dying,
She gets so sick of crying

She sees the mirror of herself,
An image she wants to sell,
To anyone willing to buy

He steals the image in her kiss,
From her hearts apocalypse,
From the one called whatsername

She's all alone again,
Wiping the tears from her eyes
Somedays he feels like dying
She gets so sick of crying

She's all alone again,
Wiping blotches from her eyes
Somedays he feels like dying
Somedays it's not worth trying,
Now that they both are finding,
She gets so sick of crying

She's an extraordinary girl,
an extraordinary girl,
an extraordinary girl,
an extraordinary girl.
