---

It's In My Heart; It's In Your Soul,  
You Choose To Judge,  
Is That Your Role?  
Don't Analyse Or Complicate,  
You'll Criticise, You Can't Relate...

And Now You Want Some Understanding.  
What's My Point Of View?

[Chorus]  
Then I'll Just Fade Away  
When I Hear All Your Lies I Choke  
Then I'll Just Fade Away  
Suffering From The Times You Spoke I Fade

Regarding More? Just Seems Much Less.  
So Cynical You Must Confess.  
I'm Dying Here, Completely Blind  
Your Will To Live- Just Dampens Mine,

And Now You Want Some Understanding...  
What's My Point Of View?

[Chorus]
