

I've been denied all the best ultrasex
I've been denied all the best ultrasex

I-I tried to consume just like a super faggot
I got some dude
How can y'all bring a muthafucka something so good
He couldn't say no
You nailed me hard
I love 'em when they don't give a motherfucking shit
I could've been someone instead of lying flat upon my ass

Dig me now and fuck me later
And sing to the tune of faggot faggot faggot
Ow- dig me now and fuck me later
And sing with the . . .

I've been denied all the best ultrasex
I've been denied all the best ultrasex

I-I could've been a star
It freaks me out when I sound just like my mom
I could've rocked the spot
Instead of being just another faggot like I am
I played that shit straight
Blowin' suckas on the side hopin' I get laid
Now everybody knows
No way in hell I can ever live it down

Dig me now and fuck me later
And sing it to the tune of faggot faggot faggot
Ow- dig me now and fuck me later
And sing it with the . . .

I been denied all the best ultrasex
I been denied all the best ultrasex

I could've been someone instead of lying flat upon my ass

Dig me now and fuck me later
And sing it to the tune of faggot faggot faggot
Ow- dig me now and fuck me later
Sing it with the...
