---

I've got - the new sincerity.  
I've got - a secret vocabulary.  
I've got - MIDI in, out, thru.  
I've got - dialectical sprechstimme.  
I've got - herm choreography.  
I've got - a conceptual stunt double.  
I've got - a deviant scene, I mean.  
I've got - multiple alliances.....

I've got to move..... whoa oh oh  
I've got to move..... whoa oh oh  
I've got to move..... whoa oh oh  
I've got to move..... whoa oh oh

I've got - The Gift of Fear.  
I've got - The Courage to Heal.  
I've got - site specificity.  
I've got - plan "B" ability.

I've got to move..... whoa oh oh  
I've got to move..... whoa oh oh  
I've got to move..... whoa oh oh  
I've got to move..... whoa oh oh

I've got - extensive bibliographies.  
I've got - flow disruption.  
I've got - wildlife metaphores.  
I've got - post-binary gender chores.  
My Fake French is hot.  
You can't make me stop.  
Got nowhere to run to baby.  
Come on turn it up.....
