---

If fears what makes us decide,  
Our future journey,  
I'm not along for the ride,  
Cuz I'm still yearning,  
To try and touch the sun,  
My fingers burning,  
Before you're old you are young,  
Yeah I'm still learning  
[Chorus]  
I am falling down,  
Try and stop me,  
It feels so good to hit the ground,  
You can watch me,  
Fallin on my face,  
It's an uphill human race,  
and I am falling down  
I'm standing out in the street,  
The earth is moving,  
I feel it under my feet,  
And I'm still proveing,  
That I can stand my ground,  
And my feet are there, haven't washed my hair  
Too be lost before you are found,  
Don't mean you are losing  
[Chorus]  
Some day I'll live in a house  
Etc., etc., etc.  
Don't you know that's not for now  
and for now I'm falling  
down...down...down...,  
down...down...down,  
down...down...down,  
Yeah e Yeah..Yeah e Yeah,  
[Chorus]  
I'm falling down,  
I'm falling down..I'm falling down...  
I'm falling....
