---

Farewell my friend  
My beautiful friend  
Farewell

You take the high road  
And I'll take the low road  
And we'll meet again  
Farewell my friend

I love you  
In a funny way

You take the high road  
I'll take the low road  
And we will meet again  
Farewell my friend

Oh I want to see you again  
Oh farewell  
Farewell  
Oh I want to see you again  
Farewell  
Oh I'm on the mountain again  
Oh farewell  
Oh I want to see you again  
Oh my friend  
Oh that's when I'll see you again  
Farewell  
Oh I want to see you again
