

You said, "Down with the church", with your fists up in the air, all the rancor and the hate, yeah we saw your frigid stare. You hate Christianity, but love your animosity, it's the church
Goodnight, goodbye, farewell to arms, it's time. Goodnight, goodbye, farewell to arms, it's time. Lay down your hate, the weight will disappear. If you could separate your anger from
Clench your fists and grit your teeth, save forgiveness for the weak. Let your bitterness consume, let the salt rub in your wounds. You have saved up all your spite, stoked the flame
Goodnight, goodbye, farewell to arms, it's time. Goodnight, goodbye, farewell to arms, it's time. Lay down your hate, the weight will disappear. If you could separate your anger from
You say that you've aged, I think you're just enraged. You say that you've aged, I think you're just enraged.
Goodnight, goodbye, farewell to arms, it's time. Goodnight, goodbye, farewell to arms, it's time. Who incited, what ignited, all this hatred? Say farewell to arms. Broken hearted, dea
