

To all the farsighted  
The sky's never been so clear  
Hello to the hopeful  
Goodbye to the full of fear  
Glorious  
Luminous

Chorus:  
(The rockets are burning,  
The dreamers are at full swing)  
The heavens have painted  
Have brushed you with angel wings  
And you know in your heart  
That the farsighted see better things

Hello you daydreamers  
Hello to the in-between  
Behold all you've wished for  
Promising things unseen  
Glorious  
Luminous

Hello to the burnouts  
The left out and left behind  
For farsighted drifters  
Matchless  
One-of-a kind  
Glorious  
Luminous.
