It's not time to make a change
Just relax and take it easy
You're still young, that's your fault
There's so much you have to know

Find a girl, settle down
If you want well you can marry
Look at me, i am old but i'm happy

I was once like you are now
And i know that it's not easy
To be calm when you've found
Something going on

But take your time, take a look
Think of everything you've got
You will still be here tomorrow
But your dreams may not

Fiona apple & johnny cash :
How can i try to explain
When i do he turns away again
And it's always been the same
The same old story

From the moment i could talk
I was ordered to listen
Now there's a way and i know
That i have to go away
I know i have to go

Johnny cash :
It's not time to make a change
Just sit down and take it slowly
You're still young, that's your fault
There's so much you have to go through

Find a girl settle down
If you want, you can marry
Look at me, i am old but i'm happy

Fiona apple & johnny cash :
All the times that i cried
Keeping all the things i knew inside
It's hard, but it's harder to ignore it
If they were right, i'd agree
But it's them they know not me
Now there's a way and i know
That i have to go away
I know i have to go
