

Trapped in the dawn  
and the air is bitter cold  
the clouds don't feel the sun, behold.

Fear of God  
and the angels sing no more  
a dying will submit  
with hope.

They learn the truth  
unholy tears won't save their breed  
forever damned, let the sinners flee.

Fallen from grace  
the evil in your heart  
had made you face the... unfold.

Infedels, enchanted from above  
just send you straight to hell, foretold.

As the shadows pass the moon  
Unholy tears won't save your breed  
forever damned, say your prayers in plea
