Title: Fear of motion

---

To be afraid of the unknown  
Don't turn your back on me  
Control is never full  
Please follow my orders

Fear of motion  
Unable to function  
I need you as much as you need me  
The clash will be as  
Chaotic as you want it  
So make a meal and keep moving forward

Fear of motion  
Unable to function  
Fear of motion  
Unable to function
