I Wanted To Believe
But Now It's Crushing Me

In Your Eyes
I Can See The Blazing Flame
Once It's Gone
There Is No One Left To Blame

I've Danced With Fear
With Fear Of Losing You
It Won't Disappear
So I Will Dance With Fear

Nothing Left To Say
I Just Let It Fade Away

Through Your Lies
I Couldn't See, Hypnotized
Once you're gone
I'll Be Left Paralyzed
