Title: Feel Like Makin Love

download from: <http://www.lyricsdisc.com>

1st Verse: Take my hand. Lead me to another place. I never been. I wanna be, be relieved. Set me free. I'm not talking about letting me go. But I'm just talking bout pulling me close

Hook: Feel like makin' love all through the night (Feel like makin love), all through the night, come hold me tight. (I feel like makin' love). Feel like makin' love all through the night, all through the night

2nd Verse: Hear I am. I'm all yours for tonight. But every night. It could be you and I for a lifetime. Could have stayed all to myself. Play the game like everybody else. But boy I want you

Hook: Feel like makin' love all through the night, all through the night, come hold me tight (Feel like makin' love to you...). (I feel like makin' love to you baby...) Feel like makin' love all through the night, all through the night, come hold me tight. (Hey baby... Come and make me feel alright...). Feel like makin' love all through the night, all through the night

Bridge: It would be nice if you spend a night. Ain't nothing wrong wit you holding me tight. Why don't we take it nice and slow? Hold on tight and baby don't let go. It would be nice if you

Hook: Feel like makin' love all through the night, all through the night, come hold me tight. Feel like makin' love all through the night, all through the night, come hold me tight. Feel like makin' love all through the night, all through the night, come hold me tight. Feel like makin' love all through the night, all through the night come hold me tight...

Bridge: It would be nice if you spend a night (It would be nice). Ain't nothing wrong wit you holding me tight.(Ain't nothing wrong wit you hold me tight). Why don't we take it nice and slow?

Hook: Feel like makin' love all through the night, all through the night, come hold me tight. Feel like makin' love all through the night, all through the night, come hold me tight. Feel like makin' love all through the night, all through the night, come hold me tight. Feel like makin' love all through the night, all through the night come hold me tight...

Repeat Bridge 1x

Repeat Hook 1x
