Title: Finally

download from: <http://www.lyricsdisc.com>

Ever since I was a baby girl I had a dream
Cinderella theme
Crazy as it seems
Always knew that deep inside that there would come that day
That I would have to wait
Make so many mistakes
I couldn't comprehend
As I watched it unfold
This classic story told I left it in the cold
Walking through an open door that led me back to you
Each one unlocking more of the truth

I finally stopped tripping on my youth
I finally got lost inside of you
I finally know I needed to grow
And finally my mate has met my soul

[chorus]
Finally
Now my destiny can begin
Though we will have our differences
Something strange and new is happening
Finally
Now my life doesn't seem so bad
It's the best that I've ever had
Give my love to him finally

mmmmmmmm

I remember the beginning you already knew
I acted like a fool
Just trying to be cool
Frontin' like it didn't matter
I just ran away
Put on another face
Was lost in my own space
Found what it's like to hurt selfishly
I was scared to give of me
Afraid to just believe
I was in a jealous, insecure, pathetic place
Stumbled through the mess that I had made

I finally got out of my own way
I've finally started living for today
I finally know I needed to grow
And finally my mate has met my soul

[chorus]
Finally
Now my destiny can begin
Though we will have our differences
Something strange and new is happening
Finally
Now my life doesn't seem so bad
It's the best that I've ever had
Give my love to him finally

hmmmmmm

Finally, Finally

Finally
Now my destiny can begin
Though we will have our differences
Something beautiful is happening, is happening
Finally
Now my life doesn't seem so bad
It's the best that I've ever had
Give my love to him finally

Ohhhhhh, Finally, Finally, Finally
