

arrest me I talk in riddles  
I cause stress and muscular cramps  
nervous exaggeration after the toxic tonic  
telepathically broadcasts an appearance of one's own  
one's been given a doppelganger  
who unlike oneself doesn't fake enthusiasms

the shallshock of one instant  
and the indiscretion novice unzips his fly  
he'll never know what hit him  
I know the detectives found  
the fingerprint of the universe
