Once upon a time at the foot of a great mountain, there was a town where the people known as Happyfolk lived, their very existence a mystery to the rest of the world, obscured as

Falling out of aeroplanes and hiding out in holes
Waiting for the sunset to come, people GOING HOME
Jump OUT from behind them and shoot them in the head
Now everybody is dancing the dance of the dead
the dance of the dead
the dance of the dead

In time, the Strangefolk found their way into the higher reaches of the mountain, and it was there that they found the caves of unimaginable Sincerity and beauty. By chance, they s

Oh little town in U.S.A, THE time has come to see
There's nothing you believe you want
But where were you when it all came down on me?
Did you call me?NO!
