(Originally performed by Kreator
Music: Robert Fioretti / Lyrics: Mille Petrozza)

Dark Shadows lie over the city
Tonight someone will die, you can hear
Some painful scream the air is full of flies
The mayhem legions are ready to steal the human souls
Come into my vault and do what you have been told
I'll eat your intestines no matter if you pray or please
I'll bring you down to your knees
Tonight you're gonna meet your fate you'll try to run but it's too
Late I am here to liquidate

Time to raise your flag of hate
Destroy the world is our only aim
To strike them down is the only way to make'em dead
And make'em pay
The gallows of the underground shippers on the sea of blood
All what we want is to crucify your God
The posers on this earth have no right to live
We gonna split their brains torture is what we give
