Title: FLIES ON MY DICK

download from: <http://www.lyricsdisc.com>

Oh sweet mindfuck lady
Please love me like you do
Plagued by an image of days long gone
Flies on my dick

Never sit alone on a hit sticky noon
With flies on your dick
I'm just a boy with a gypsy nun
I love it when you stick me with your staff

Oh sweet mindfuck lady
Smashed with a nightmare
All alone with flies on my dick

Have a beautiful pain
It always rains in your bed
When I'm wet with truth
I'll say it with soothe
I know what I must do

Sweetheart, nun, gypsy
I know what I must do
So afraid I know what I must do
So afraid I know what I must do

La la la la la la
La la la la
La la la la la la la la
La la la la
La la la la la la la la
La la la la ha ha!
La la la la la la la la
La la la la!
