At the movies one night,
Sportin apple bottom jeans and them gucci boots,
Saw you walkin my way,
With some m&m's and a mountain dew,
The way you switch ya booty when you walk by,
Ya handcuffed to a nigga but its alright, girl before ya go,
Slide ya numba on the low

Chorus:

I wanna fool wit you,
Are you down wit that, wit no strings attached,
I wanna fool wit you,
Keep it on the low,
He aint gotta know,
I wanna fool wit you,
Gotsta put it down,
When yo man aint around,
I wanna fool wit you

And i know you know,
That i gotta get a taste
